Mr Charles C. Smith  
Dr Sir

Friend C Cox is a young  
gentleman from Melzer County Ia is now  
serving with me as a volunteer aid to camp  
and acting as Brigade Inspector. He is a  
very useful gallant & efficient young man  
& officer & I wish to get him an appoint-  
ment in the Provisional Army as Capt in  
the Adj Genls department & have him  
assigned to me for duty as Inspector.

I think Mr Cox eminently deserves  
the commission, & hope you will use  
your influence to get it for him.

He left his home in North Western Ia at  
the beginning of the war & enlisted as a pri-  
vate in the "Shinner Greys" from Wheeling Ia.  
In the summer of 62 he was made adj-  
t to Brig Genl Winder, & in that position  
attracted notice by his bravery & good conduct.  
After Genl Winder's death Genl Paxton was  
assigned to the Brigade & appointed him his  
aid - He came up. Since Genl Paxton's death  
he has been serving as a volunteer on  
my staff & has been of great use.

to me. Capt Barton the Adjt Gen of  
the Brigade was wounded at Chancellors  
ville & is still absent & may not be  
fit for duty for some months.

I understand the department  
is commissioning officers in the adjt  
Genl department & assigning them to  
Brigades as Inspectors, & I think Mr  
Bot deserves a commission, hav-  
ing once fought his way up from  
the ranks.

If you can procure him  
a commission & have him assign-  
ed to me for duty I would take  
it as a favour.

Hoping to hear from  
you soon in this matter I  
am

St Louis Stearns Bn  
Sept 5<sup>th</sup> 1863

Dear Sir,

I respectfully inform  
that I have been acting on duty  
staff since formerly aid de camp  
to Brig Gen. Dutton the Commissioner  
as Capt in the 1st Gen's Department  
and assigned to duty with me  
as adjt & Insp Gen.

Brig Gen. Dutton  
the 1st Gen of the Brigade was  
wounded at Chancellorsville &  
has not been fit for duty since &  
Lt Col. Dutton remained with me  
during this whole campaign &  
done of great service. In fact I  
could not have gotten along with-  
out him.

Mr. Cox is a young man,  
a refugee from North Carolina &  
and came into service at the be-  
ginning of the war as a private in  
Co 27<sup>th</sup> Va Inf, and became

so much for gallantry &  
good conduct that he was pro-  
moted from the ranks by Gen.  
Dutton to be his aid, which posi-  
tion he lost by the death of Gen. Dutton.

So Gen. Dutton has now fought his  
way up from the ranks & lost his  
place by no fault of his own. I  
hope the Department will reward  
his services by giving him the Com-  
mission which he deserves.

I am, Sir,  
Very truly,  
Yours,

Brig Gen.

I cannot explain  
to any body why the plan  
of John Austin, who also  
had spoken to the same  
set as to the formation of  
the school. He is now  
at home on his return  
from the trip, and if  
the President is willing  
that explanation be  
made to him, he will  
be glad to do so for the  
benefit of the school.  
He is now in the  
of the school -

Decr. 5<sup>th</sup> 1861.

Hon. G. B. Benjamin.  
Secretary of War

Sir:

According to your request of this morning, I proceed to state the circumstances relative to my appointment in the Provisional Army of Virginia.

In April last with four or five young men, I left Washington City, and went into lower Maryland, to organize a Company to assist in the defence of Virginia. Before effecting our object we were forced by the Federalists out of the State, and took refuge to Alexandria, Va. where we remained recruiting until that City was occupied by United States Troops. Previous to its occupancy however, there was an election of Officers by the Company, and I was chosen 2<sup>d</sup> Lieutenant.

The Company was mustered into the service of the State of Virginia, on the 31<sup>st</sup> day of last May, at Manassas. And we were in active service in that vicinity up to the time of the battle of the 31<sup>st</sup> July. On that day our Company formed part of a Battalion under the command of Capt. Schaeffer, of which I was Acting Adjutant. During the engagement, as you are perhaps aware, our reputation

division of the Company occurred, which was, I think, a  
great trouble to the latter. A part of the Company re-  
mained on the field during the battle and the other  
portion went to Manassas. A day or two after this  
the Company was placed under 1st Lieutenant Cum-  
mings' Command, and assigned to duty in the 1st Regt.  
Va. Vols., then stationed in the advance. While in  
this Regiment another difficulty arose between a por-  
tion of the Company and Lt. Cummings, which  
resulted in my being ordered to take command of  
the Company, and report to General Beauregard at  
Manassas for orders. This I did, and was assigned  
by him, to duty at one of the heavy Batteries under  
command of Capt. Merritt. Here I remained  
about a month, when I was ordered by General  
Beauregard to report the Company to General Elzer,  
for duty with a light Battery attached to his brigade.  
After so reporting the Company I came on to Rich-  
mond to carry out the special order of General Beau-  
regard assigning me to duty here, in conjunction with  
others of the late 'Beauregard Rifles'; to recruit a  
Rocket Battery for the war.

While in the execution of these orders and after  
inducting some 30 men for the Rocket Battery service,  
a letter was written from your Department addressed  
to General Beauregard, questioning his right to as I un-  
derstood to delegate such extraordinary authority  
which had been vested in us by this said order.

This fact was made known to me I learned

recruited and awaited further orders, as I un-  
derstood from Lt. Cummings that the matter was  
still in abeyance between the General and  
your Department. The so recruited men left me  
in a few days and joined other Commands -

In the meanwhile the Beauregard Rifles,  
of which <sup>Company</sup> I was an Officer, were mustered out  
of service (this done I think in the 18th ulto.),  
and in making some inquiries on yesterday at the  
Adjutant General's Office in regard to my com-  
mitation for Fuel & Quarters since I have been  
here. I learned for the first time that under  
the law, I was out of service at the date of  
the mustering out of the Company -

After a statement of the circumstances of my  
case, however, that Officer referred me to you,  
and you will perhaps remember that in my  
conversation with you this morning, I stated  
that I thought the effect of the law peculiarly  
hard in my case, as I had been debarred taking  
either two positions offered me in the service, since I  
have been detached here, owing to the fact  
that I still supposed myself in the Army,  
and under orders.

For your better information on the whole  
subject I transmit herewith copies the papers  
bearing on the ~~subject~~, which I hope however,  
you will have returned to me, as they form  
a part of the Company's record -

Walden is a small pond in the town of Concord, Mass. It is situated on the eastern shore of the town, and is about 30 rods long and 10 rods wide. The water is very pure and clear, and the surrounding woods are very beautiful. I have been to Walden many times, and I have found it to be a very interesting place. I have seen many beautiful sights, and I have heard many interesting stories. I have also seen many strange things, and I have heard many strange stories. General:

I have the honor to inform you  
that my <sup>school reports</sup> ~~school reports~~ that Mr. Harleston, the owner in charge of  
the principal gang of slaves, that it was  
proposed should be put to work on Morris  
Island, cannot be found, and it is supposed  
that he has changed his intention of assisting  
in the matter. This circumstance necessitates  
the abandonment of the expedition proposed  
by Major Boyan. A. S. General & approved  
at Island Quartermaster.

In this connection, Colonel Harris  
respectfully suggests that a force of two  
hundred soldiers be sent to Morris Island  
to construct the covered way between Batteries  
Kearse & Wagner and, that as they are  
to be worked only at night that they  
be relieved every three days.

- Abstract F

& servants, servants are not entitled to an allowance  
of wood. Capt Cox is required to report the use of  
wood for whom wood was drawn in order that  
the same may be charged to his account.
- Voucher 2 Capt R Jones receipt required
- 3 Capt Hamblatts receipt required, also  
the time for which the wood was issued & the  
number of men drawn for.
- Voucher 4, Receipt is not signed
- 5 is Capt J. D. M. Smiths receipt required  
for 14 cords of wood for which he is required to account,  
but this transfer should have been entered on Abstract IV
- Voucher 6, Capt R Jones receipt required
- 7 Shows an over allowance of wood, Capt  
Hamblatts name entitled to but 8 1/2 cords of wood in-  
stead of 8 1/2 cords charged in the Abstract. The  
Requisition erroneously calls for 8 cords & 32 feet.
- Voucher 8, is another Requisition of Capt Mon-  
tilla Clark & Mrs for 14 cords wood for which  
he must account. Capt Cox should have entered  
the transfer on Abstract IV.
- Voucher 9. The monthly allowance of wood from  
May 1 to Sept 30 for 86 men being 1/12 of a cord  
each is 7 cords 1 foot & 4 inches, Capt Cox  
delivered 8 cords, If this delivery included the  
allowance to officers the Requisition should so state  
& for explanation this Voucher is suspended, Besides

the head of Remarks the following appears, "Hospital  
Store House, Officers & Stables on Amsterdam Island."  
This is in definite & unsatisfactory & full explanations  
are required.

Abstract M Voucher 2 is a list of 2 M property remaining in the  
hands of Capt Core on the 13th of August last, but to  
whom transferred it does not appear, Capt Jordan  
and Lieut Porter who took the inventory do not ac-  
knowledge the property as in their possession.  
I have explained this also.

In this abstract Capt Core reports to have  
"transferred" instead of 7 as reported by Capt Jordan  
& Lieut Porter. In his Quarterly Return Capt Core  
states the same error.

Quarterly Return of Stores rec'd & issued  
No Balance may delivered to Adj. Taliaferro (see abstract  
G, No 2 Voucher) is not entered in this Return.  
In it Capt Core, also, fails to report 1 Saw, 1  
Brace & 21 Bts as being on hand & for which he is  
required to account.

M the hands of Capt Cox, on the 13th August, last. But, to  
whom transferred it does not appear.

not acknowledge the property as in their possession.  
Please explain this also.

In this Abstract Capt Cox reports 6 saw "Hans.  
-Jensen" instead of 7 as reported by James Jordan &  
Cooke & in his Quarterly Return Capt Cox makes  
the same error.

Quarterly Return of Stores, recd & sent.

is in his favor. The failure to enter on the

the 100 Bales of Hay delivered to Adjutant

course, Capt C. is entitled to the credit of the

The 40,461 feet of lumber and ~~44~~ 4917 feet of scant.  
ling, charged on Abt. L as delivered to Col  
J. C. Hodges, were actually used in construct-  
ing the hospital, storehouses, offices & stables on  
Sanctuary Island to my certain knowledge  
Col. H. was in Command of the Island, and  
the entry on the abstract showing the lumber  
to have been delivered to him, was simply  
to indicate the point, where the lumber was  
used, as buildings were being constructed on  
different points, and it was necessary for my  
own convenience to keep the quantities issued  
separate. The entry as it appears in the body of  
the abstract is erroneous, the marginal initial  
is correct. The certificate of Col. H. and the  
affidavit of Capt. C. are filed with the vouchers,  
and exhibit the same as stated above.

Vouch. 2. Capt. Cox considered the signature  
to the inventory of D. M. Stores equivalent  
to their receipt. Copy of the inventory was  
afterwards transferred to his successor Capt  
A. C. Nelson, chief D. M. as far as he can  
remember.

Capt Cox reports as transferred, and the  
number Messrs Jordan & Cooke reported

Remarks and Explanations on the  
Accounts of H. H. Cox, late Capt & Lieut 2<sup>nd</sup> M.  
Jamestown Island, furnished to the second  
Auditor Jan. 1862.

Ab. F Vouch 2. Capt Cox being an inexperienced officer, no  
doubt supposed the requisition was sufficient evidence  
of the fact, and should be so considered, as no officer  
would probably give a requisition into the hands  
of a 2<sup>nd</sup> M. without receiving the wood required.

Vouch 3. The probability is, that this cord of wood is  
a portion of the quantity, to which the company was  
entitled as would appear by reference to Vouch 4.  
where the Company draws but 1<sup>15</sup> cord for the month,  
when it appears the Company was 66 strong, which  
would give them upwards of 5 cords, making in  
both ~~or~~ less than one half of the regulation allow-  
ance for the month, independent of the officers.  
In regard to the want of the receipt, reference is  
made to V<sup>o</sup> 2 above.

Vouch 6. Same as on Vouch 2.

Vouch 8. Error admitted.

Vouch 9. The wood issued on this voucher did of  
course include the allowance to the officers, as wood  
was issued them with the Company. For want  
of receipt see Voucher 42.

Vouch 10. Same as on Voucher 2.

Vouch 11. The number of sick in the hospital  
was considerably over 400, which is sufficient,

1. F (b<sup>n</sup>) evidence, that there were at least two fire places,  
which would be the quantity authorized by regu-  
lations. J. V. M. Jordan was one of the physicians  
of the Hospital. With regard to the want of form,  
reference is made to Vol. 2, which should be con-  
sidered in examining the Accounts of all Colun-  
nel officers hastily collected in time of war, and  
who are not expected to be conversant with the  
forms or regulations.

Vouch 13. As no other wood appears to have been  
drawn by Maj. White and the other Officers, it is  
more than probable, that they drew in the whole  
month just the amount they needed for their  
cooking purposes, and not the whole amount  
they were entitled to. For receipt see V<sup>o</sup> 2 & 11.

Vouch 14. The number of men varied from  
30 to 50 through the month. The quantity of  
wood was less, than the men were entitled to.  
For receipt same as V<sup>o</sup> 2 & 11. The issue was for  
the months of June & July.

Vouch 16. The number of Officers and men  
varied in the month, but the issue was always  
within the regulation allowance. The issue was  
for the Months of June & July.

Vouch 17 & 18. The number of men in Capt  
Allens Co was 45. in Capt Nelson's 22, so  
that the quantity, issued in both vouchers, was  
less than the men above were entitled to.

Alb. F (contd) The Charge of 4 cords of wood to Capt Jordan's  
Comp. is certainly correct, the strength of the Co  
was over 100 men. The requisition has been mis-  
said. The Co. was an Artillery Co, and as Capt  
Cox was the only D.M. from whom that Co.  
could have drawn fuel, it is hoped the Auditor  
will not consider the absence of the requisition  
sufficient to bar a credit to Capt C. for the  
wood charged. The issue of the wood was for  
the month.

Alb. G

Vouch 1. The want of forage is explained on  
Vouch 11. The voucher filed is prima facie  
evidence, that the forage was issued.

Vouch 2. The hay was received from R. Ammon  
in bales without weight, and was delivered in  
like manner to Col. Taliaferro for the use of Col  
Cowell's Regt. The hay was intended for Taliaferro  
and Capt Cox was only the agent to see that  
it reached the party for whom it was intended.

Vouch 3. The bag of Corn was issued by order  
of Col J. G. Hodges, and Capt Cox has no other  
alternative, than to issue it. It dissatisfied  
Col. H. is reasonable not Capt C. See par 5  
page 116 of the D.M. Regulations.

Vouch 4. The forage was for Surgeon Hood's  
horse for one week.

Vouch 6. The forage was issued on the order of

St. G (cont) of Col Godwin. He is responsible. The forage was horseman for his horse for one month, and is within the regulation allowance. See Remarks on Vouchers 2 & 11 F. for explanation for want of receipt.

Vouch 20 (same as Vouchers 2 & 11 F)

Reply of the Second Auditor to the explanations of Capt  
Army W. C. C. at Jamestown Island, Virginia, in  
answer to the Second Auditor's remarks on his Property Account  
from the 1st of Jan to the 31st of Dec 1861.

Abstract in

Under the 1st of Jan. 1862. Capt C. has failed to enter the Audit  
Account. He is again referred to the same.

Under the 1st of Jan. 1862. The 1st of Jan. 1862. requires a receipt  
to be taken for every article delivered on the Regu-  
sition, an officer. In Capt C's transactions in  
the Quartermaster's Department this receipt  
must be carefully complied with.

In the Auditor's remarks Capt C's  
attention was called to this omission & he was re-  
quired to furnish a receipt for wood claimed as  
having been delivered on the Regusition. But  
none has been furnished. In his answer Capt  
C. without attempting to procure Lieut Jones' re-  
ceipt, says he is "satisfied" as a receipt for the  
above mentioned amount in which his affairs were  
conducted. Capt C. says the Regusition was  
sufficient evidence of the issue & should be con-  
sidered as such. It is not probable, give a  
Regusition into the hands of a Quartermaster  
without receiving the wood required.

At the period of the war covered by Capt C's  
transactions a reasonable allowance might, and  
with much propriety, be made in favor of

Reply of the Second Auditor to the explanation of Capt  
Army Lt. Col. A. D. M. at Jamestown Island, Virginia, in  
answer to the Second Auditor's Remarks on his Property Account  
from the 1st of June to the 12th of August 1861

Abstract in

First Lt. Col. A. D. M. has failed to notice the Audi-  
tor's remarks. He is again referred to them. —  
The Auditor has the honor to require a receipt  
for any article delivered on the Requi-  
sition on file. In Capt. Cox's transactions in  
the Quartermaster's Department this receipt  
is not a necessary or complied article.

In the Auditor's remarks Capt. Cox's  
attention was called to this omission & he was re-  
quired to furnish a receipt for every article  
having been delivered on the Requisition. But  
Capt. Cox has refused to do so. In the answer Capt.  
Cox without attempting to procure Lieut. Jones's  
receipt, charges his "inexperience" as a reason for the  
unaccountable manner in which his affairs were  
conducted & says he "approves" the Requisition was  
sufficient evidence of the issue & should be so con-  
sidered as no officer would probably give a  
Requisition to the hands of a Quartermaster  
without receiving the "receipts."

At the present of the war caused by Capt. Cox's  
transactions a reasonable allowance might, and  
with much propriety, be made in favor of

Capt Cow was asked for informa-  
tion. In his explanation Capt Cow  
says "cannot say how much each  
piece of Scantling measured. But the  
whole was issued as described. and  
Capt Cow claims on the Receipt."

It may be that the measurement  
is correctly stated but still this is  
shown the Suspension will continue.

Quarterly Returns of Stores received & issued,  
Capt Cook's explanation shows that the omission to  
enter the 100 value Hay in this Return was proper.  
It was merely sent to his care for delivery to  
adjutant Sabin.

One Saw, One Brace and twenty one Bits for

issued to those having charge of Carpenter's Work.  
this is satisfactory.

Capt. Mason

Dear Sir, - Will you be  
so kind to inform me the principles to extend my leave  
of absence about 14 days.  
I left my command the 10th of  
May, arrived at my home in this place  
the 23rd. Having made provision  
for my family, I leave in the mor-  
ning for the Army on the 1st of June.  
I apprehend, this early for an extension  
of my leave of absence, as my com-  
mission may be torn in reaching you  
and may have stopped on some  
point. I direct to Col. Hays, Head  
Quarters.

By the expiration of the next thirty  
days I will have gotten such expe-  
rience as will determine my future  
rotation to the Army (that is, as to the part  
of the Army with which I serve)

Very respectfully

(sent to the Genl Office)

Capt G. C. Mather

Captain

As authority has been given to pay  
non commissioned Officers & privates discharged from  
the service upon affidavits, the Genl has been passed  
so far as I can discern authorizing such and  
wounded soldiers to be paid upon affidavits. The  
Act of Congress authorizing Quartermaster to administer  
the Oath to parties so paid under Genl Order 65 &  
68. At the General Office has in some cases been construed  
as conferring such authority. Such construction is incorrect.

The pay due the owners of Slaves for services  
in the Hospitals as cooks, Nurses &c, for a period  
embraced in former muster rolls, when not paid, may  
be paid on the next muster & pay rolls.

The notification of payments to the Comd  
Officer of men paid by you has been forwarded to  
them through At-L. Genl Office. Perhaps forward  
directly through Adj't & Insp. Genl Office under cover  
to the Reg. Commander.

Very Respectfully  
Your Obedt Servant

Richmond Virginia March 26<sup>th</sup> 1862  
Hon. Secy. War,

Dear Sir,

I have the honor to make application to his Excellency the President of the Confederate States, through the Hon. Secy. War for a Commission, in the Prov. Army C. S., based upon evidence on file in the office of your chief clerk, of which the following is a brief statement:

On the 10<sup>th</sup> of July 1861, having previously left my home in Kentucky to tender my services to the Southern Confederacy. I was appointed by Gov. J. C. Harris of the state of Tenn. Drill Master in the Prov. Army of that State, upon a strong letter of recommendation from Genl. Zollicoffer, who designated me as his chief line cook with the rank of Col., with whom I continued to serve until the transfer of the State forces to the C. S. Government.

My office having expired by limitation, I was recommended by Genl. Foster of the Tenn. Army, for an appointment as Col. in the Prov. Army of the Confederacy on the 9<sup>th</sup> Oct. 61. Before presenting that letter, I proceeded to Bowling Green Ky. for Genl. Buckner's endorsement, and upon his suggestion remained in Ky. as there were troops being organized at that place, and there would be an opening for me for a field position. In the meantime however, Genl. Buckner hearing of my qualifications as Instructor of Drill, I was appointed by him on the 9<sup>th</sup> Nov. 61 Drill Master, with pay equal to that of 2nd. Lieut. of Infantry. A month later, having evinced great proficiency in the instructions of the troops in infantry tactics, and bayonet exercise, my pay was increased, and made equal to that of 1st. Lieut. of Infantry.

Upon the evacuation of Bowling Green, and upon the 20<sup>th</sup> Feb. 62. my rank was assimilated to that of Captain of Infantry, & pay corresponding to such rank allowed me by Genl. A. S. Johnson, &

was at the same time ordered to report for duty at Huntsville Ala.

On the 14th. of Oct. 1862. I was appointed by Genl. Forrest, (Asst. Insp. Genl.) he was then in command of the Tenn. forces composed of one Brigade of Infantry, three Regts. Cavalry, & eight batteries Artillery, which would amount to a Division, & enable me as I supposed to the rank similar to that of A. A. Genl. of a Division. Upon Genl. F. being superseded in the Command of the Army of Middle Tenn. by Maj. Genl. Breckenridge, I was relieved from duty by Genl. Forrest, & ordered to report to Genl. B. to continue the organizing & mustering in of the Tenn. forces referred to above, & was regarded as I supposed as forming a part of Genl. Breckenridge's entire command, agreeably to General Order 53. Para. 11. War Dept.

On the 10th. Nov. 62. I was ordered by Genl. B. to proceed to Winchester Tenn. "muster into the service all the troops that Brig. Genl. Forrest is authorized to organize, & establish a Camp of instruction at that place & take command of the same until further orders." Upon the retreat of the Army Tenn. to Winchester after the Battle of Humphreysboro, I was placed in command of the Post at that place, by verbal order from Genl. Bragg, through his Insp. Genl. Col. Beard in person, who was acting in the absence of his Asst. Genl., who had not arrived, and continued upon that duty until relieved of the command of the post March 10th. 63. by Genl. Bragg, upon the ground that I held no Commission & could not exercise command.

The question of my holding a Commission, was investigated by Genl. Bragg, some four months previous, & answered as I supposed satisfactorily, as I was permitted to continue to act, and received numerous orders, which I present as proof, & which are on file, in the Chief Clerk's Office, for Inquiry Report, which is an actual endorsement of my actions.

When I was appointed by Genl. Forrest, I supposed he would

forward the necessary letter of application, & not receiving my  
a Commission, after the expiration of four <sup>months</sup> having waited this  
time, supposing that the immense amount of business at the Dept.  
delayed it; I enquired into it; I found that Genl. Forrest had  
overlooked the necessary detail requiring that course to be pursued, &  
had lost sight of me, after my being assigned to Genl. Brecken-  
ridge's command, and being constantly on the go I could not  
reach him, but asked that Genl. Bragg would forward my  
letter of application which was indorsed by Genl. Breckenridge  
& which I received notice on the 16th inst. had been forwarded  
to the War Dept.

Unfamiliar with the fact that my appointment needed con-  
firmation by the War Dept., or rather that no such appoint-  
ment was vested in the General Commanding, I did not deem  
it necessary to trouble the Dept. with an application until re-  
cently informed of my error. Having been enlightened upon this  
subject, I would respectfully ask his Excellency the Pres-  
ident, through the Hon. Secy. War, to confirm said appoint-  
ment by giving me a commission, to date back to the 14th  
October 1862, that my acts may be legalized, in regard to  
troops which I have mustered into the service, and that justice  
may be done in the matter, as well as all parties concerned.

I have held this position since the 14th Oct. 62. & performed  
the duties, in good faith, supposing that I would have been  
Commissioned, and have drawn pay during that time.

The Congress is about to organize a Corps of Staff Officers I  
would respectfully ask that I may receive an appointment of  
Lt. Col. & be assigned to duty by Genl. Johnston in the Army  
of Tenn., or in the event of no opening in that Dept. I may re-  
ceive a Commission equal to the rank of Lt. Col. & Chief of  
Staff of a Division, & placed in command of a Camp of Instruction.

tion in the State of Texas, as assigned to some one of the premo-  
camp to inspect. I submit in the report at said camp & if  
necessary superintend the instruction of the Conscription Recruits.  
I would respectfully refer you to the papers on file, alluded  
to above for further evidence to sustain my action.

I am very Respectfully  
Yours &c. &c.  
P. M. Cox.

Comdg. Dept. No. 2 Army Term.

General,

I was promoted to my present position, on the 1st. of October 1862, having been appointed to, and by Genl. Forest Assistant-Inspector General, he being then in command of a Division.

Upon his being superseded in the command of the Army of Middle Term., by Maj. Genl. P. Stenbridge, I was assigned to the latter officers command, and am regarded as forming a part of that entire command, agreeable to general orders No. 53. Para. II from War Dept. dated July 31. 1862.

Upon communication from Richmond that no application has been filed at the War Dept. for my commission, though I have a notification of appointment in writing from Genl. Forest, a copy of which should be on file in your Adj't. Genl's office. I presume it has been neglected by Genl. Forest who is constantly on the go, so he has lost sight of me, since I was assigned to Genl. P. Stenbridge's command.

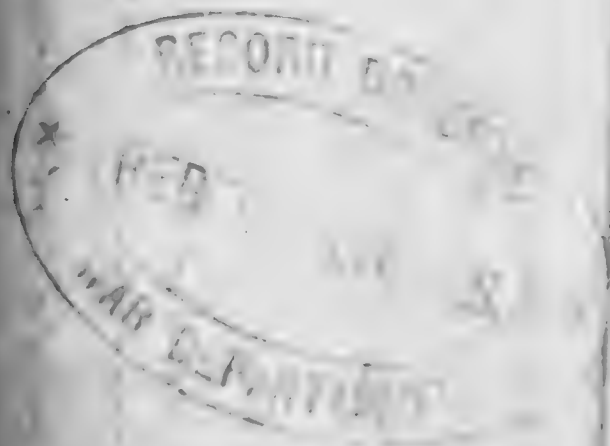

I was ordered to be detached to this place on the 10th. day of November 1862. By Genl. P. Stenbridge to this place, to organize troops, and take command of Camp of Instruction. I was placed in command of this Post. All under proper orders, and authority.

Statement of facts  
in connection with his  
application for appoint-  
ment as Asst. Sec. Gen.

Memphis, Tenn. Oct. 1863

Hon. Sec. S. Hodge,

House of Representatives

Dear Sir,

As suggested by you in conversation this morning, I make the following brief statement of facts in connection with my application for a commission as asst. Adjt. Genl, which you kindly referred to present to the Hon. Sec. of War.

On the 10th of July, 1861, having previously left my home in Kentucky to tender my services to the Southern Confederacy, I was appointed by Governor B. E. Harris of the State of Tennessee, Drill Master in the Provisional Army of that State - and ordered to report for duty to Genl. Zollicoffer, with whom I continued to serve until the transfer of the State forces to the Confederate States Government - On the 9th. of Oct. 1861. I was recommended by Genl. Forster for an appointment - as Colonel in the Provisional Army of the Confederacy - On the 9th of Nov. 1861 I was appointed by Genl. Buckner "Inspector of Drill" - A month later he fixed the rate of compensation as equal to that of 2nd. Lt. of Infantry - On the 24th. of February 1862. my rank was assimilated to that of Captain of Infantry & pay corresponding, with such rank allowed me, by Genl. A. S. Johnson. I was at the same time ordered to report for duty at Huntsville, Ala. - In the 1st. of Oct. 1862. I was appointed by Genl.

Forrest - 1st. Lieut. Genl. - On the 29th. Oct. 1862. I was ordered by Genl. Forrest - to report - or application - for a Commission - forwarded through - duty to Maj. Genl. Breckenridge - On the 10th. of Nov. 1862, I was ordered by Genl. Breckenridge to proceed to Winchester Tenn. & "muster into the service all troops that Brig. Genl. Forrest - is authorized to organize" I establish a Camp of Instruction at that place, & take command of the same until further orders - I have continued on duty - at this Post, acting under orders from the General Commanding until relieved from duty by Genl. Bragg's order dated March 10th. 1863.

Unfamiliar with the fact that my appointment needed confirmation by the War Dept., or rather that no power of appointment - was vested in the General Commanding, I did not deem it necessary to trouble the Department - with an application until recently informed of my error. Having been enlightened upon the subject, I respectfully make application, through the Hon. Sec. of War, for a Commission as Asst. Adjt. Genl. in the Prov. Army of the Confederate States, to date back to October 14th. 1862. I request, in the event that my application meets with a favorable response, that I may receive instructions to report to Genl. Jos. E. Johnston for assignment - to duty.

The accompanying papers are offered as evidence to sustain the statements herein made.

Additional evidence may be found in the en-

General,

I have the honor to communicate the following facts, and ask for instructions.

St. Abel. B. F. Johns, presented himself at my office this morning, with an order to assume command of the Post from Brig. Genl. Pillow, and likewise an order to my Adjutant - to report - to Col. Johns.

Having been ordered by the General Commanding to communicate with his Ad. Qrs. direct; I felt assured that if it had been intended that I was to be superseded in command of the Post, there would have been some order from your Head Qrs. to that effect, and if any such order had been sent to Genl. P. I would have been furnished with a copy of it; neither of which courses was pursued.

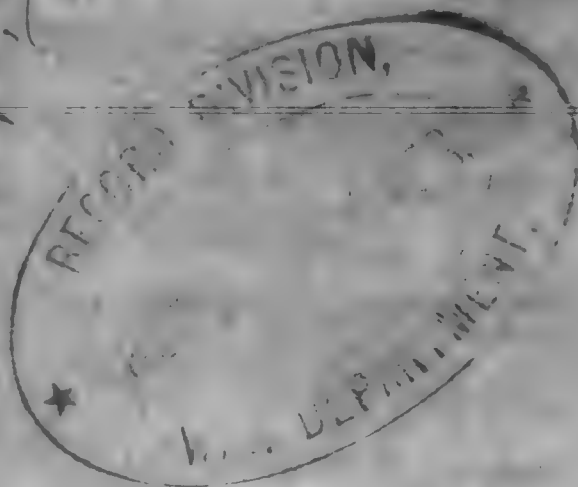

I therefore refused to give over the command of the Post, as no order was addressed to me from any one in authority, and proceeded to Tullahoma for instructions, to know whether I am to recognize Genl. Pillows order to Col. Johns, & whether I am not right in awaiting an order from the General Commanding. Should the Genl. sustain me in my action, I would respectfully ask that I may be fur

- issued with specific written instructions.  
 I have a copy of ~~these~~ P.O. orders to Col. Johns

Thursday Jan 1st 1868

Dear Sir -  
Cordy, Perry, & Co.  
Care of,

Agreeable to order of the General commanding of the 9th inst. I have this day turned the command over to Lt. Col. P. H. Johns.

I would however respectfully ask the General commanding if I am to be entirely ignored, and not recognized as an officer in the service, because my commission has not arrived. ~~and if Genl. Forrest & Breckinridge are to be considered as such~~

I sent that my letter of application for my commission could not have reached the General commanding previous to his action upon the last communication. As it set forth all the facts, proving that I had been regularly appointed an Assistant Inspector General to and by Brig. Genl. Forrest, upon his staff, when he was commanding a Division. Had Genl. Forrest sent on his nomination of myself, and application for my commission, I could have received it & it is this, but the Genl. overlooked those necessary details, and being constantly on the go neglected to forward the <sup>necessary</sup> application.

I show by the papers filed with the application, that I was relieved from duty by Genl. Forrest, and ordered to report to Genl. Breckinridge for duty, which is an endorsement of my appointment - from Genl. F., and also by order, from Genl. B. that I was regularly assigned to duty, at this place to organize and muster in troops, and take command of a Company of Instruction. And after this was regularly placed in command of this Post by the General commanding, through Col. Beard, who was acting upon the arrival of the Inspector General in person, placed in the absence of the General commanding. I respectfully call the attention of the General commanding

more to the point of my having  
a commission as <sup>adjutant</sup> of his Adjutant-  
General some few months since, and answered as  
I supposed satisfactory, as <sup>received frequent</sup> ~~received~~ frequent  
communications, and instructions from Head Quarters  
since recognizing my right to command, which <sup>admits</sup> ~~admits~~  
somewhat a want of consistency, that I am at a loss to  
know how to understand as <sup>not me</sup> ~~that I have~~ <sup>actual have</sup> ~~have~~ been acting in  
good faith, <sup>supposing</sup> ~~but~~ <sup>being</sup> ~~being~~ been endorsed at  
Head Quarters.

The General Commanding will see that great injus-  
tice is done me in this matter, and I would therefore  
respectfully ask the General to call for the last  
communication of mine, asking that the necessary  
letter of application be forwarded to the War Dept.  
on my commission, and having assured himself  
that I am fully entitled by the papers on file ac-  
companying the communication. I would most  
respectfully ask in justice to myself, and to all  
concerned, that the General would require the applica-  
tion to be forwarded to the War Dept, and that I  
may be notified by mail that such action has  
been taken.

Major W H McCarale  
Dear Sir

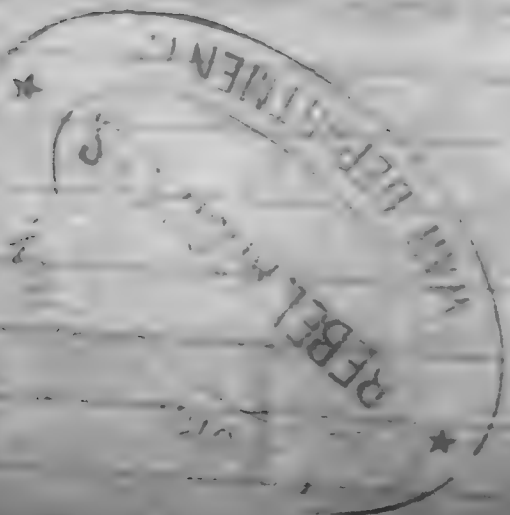

I beg leave to call your attention to the following facts. Major R M Coe in a conversation with me some time ago declared that he was in favour of Reconstruction; If the Federal Government would give us all of our rights with the right to hold slave he would be in favour of going back into the Union. In my opinion the expression of such opinions by a Confederate officer are very detrimental to our cause and ought not to be tolerated. The remarks were made publicly in the presence of Maj B G Bidwell, Capt C M Boyce, Asst Surg E C Lyke, Capt W B Lucas, J D Wellborn, Wm Wellborn, George Shivers and several others whose names I do not recollect. I have been informed that he used similar language in the presence of Surgeon A A Rowland & G M Mosely.

I have also been informed that he bought goods from a Quartermaster for his own use which he sold to Citizens at a profit. I think he could get

I heard, James H. Cannon & E. Hubbard  
for the truth in regard to the sale of  
the goods.

You can use this in any  
way you think proper

Col,

Having furnished me with the following statement of charges made against me, to wit:

1st. ("About two months since in Macon Miss. he (Maj. Cox) said. he was a Reconstructionist, and if the United States would give us our rights, and the right to hold our slaves, he was willing to go back in the Union")

2nd. "He had purchased goods of a Quarter Master in the C. S. A., stating they were for his own use, and afterwards sold them at the highest market price"-)

I have the following answer to make,

1st. I never said I was a Reconstructionist. In a conversation with W. A. Brown, I stated, in order to define my position, which I believed had been misrepresented - "that I started out in this war to fight for our rights, and if we could not get our rights, and an honorable peace, I was willing to accept it," and meant at the time (tho' I did not state it) - they would let us alone.

I never said I was willing to go back in the Union, but stated I would accept an honorable peace. (Brown misconstrued my language, and called me a Reconstructionist; and I told him if he chose to call it Reconstruction he might do so, (meaning that I had no regard for his opinion) - he was excited at the time & I was annoyed at his manner and made that reply.

In answer to the charge of having purchased goods from a Quarter Master, and afterwards sold them, I have to state; that I did procure some goods from a Quarter Master, and certified that they were for my own use, (the first I had procured since June 3rd. 1861). The articles were of such coarse material I could not use them, I wished to exchange them for finer, and as I could not exchange coarse articles for fine ones - "goods for goods" - I disposed

of the coarse goods at the full market price in order to meet the high prices for finer material, and afterwards did purchase finer goods, and used the funds received in the above manner to pay for them, which I believed them, and still believe was legitimately converting them to my own use.

In reference to both charges I refer you to the enclosed statements of reliable witnesses, and to the statement of Dr. B. W. Moore who was present at the time, and which will be furnished as soon as I can communicate with him, (he being now stationed at Grenada).

If this investigation should be deemed of sufficient <sup>importance</sup> to justify any further steps should be taken, I hope I may then be confronted with my accusers, and that my motto may be adopted. "Fiat justitia et ruat cælum".

It may be proper to add my conversation was in the presence of citizens, and not to soldiers, and therefore cannot be construed, in my humble opinion, into any violation of any article of war. I feel satisfied that the charges were made if not "through envy"; from "hatred and malice".

At the request of my brother I made the following statement, in regard to the charges preferred against him. I only heard portions of the discussion in which one of the charges is based. I recollect distinctly hearing Mr. Brown say, near the close of that discussion "Then sir I consider you to be a reconstructionist." To which May replied, "If you call me a reconstructionist, I look upon you as a fire-eating fanatic." This is about all I recollect distinctly.

In regard to speculating in government goods, I simply state that May took fifty yards with me to dispose of at market prices, stating at the same time they were blockade goods purchased from a <sup>private</sup> ~~private~~ <sup>merchant</sup> ~~merchant~~ but not sold such as he wished, or if he wished to sell them in order to procure some article, he needed, and could not procure from the government. These goods were disposed of at regular prices or somewhat less.

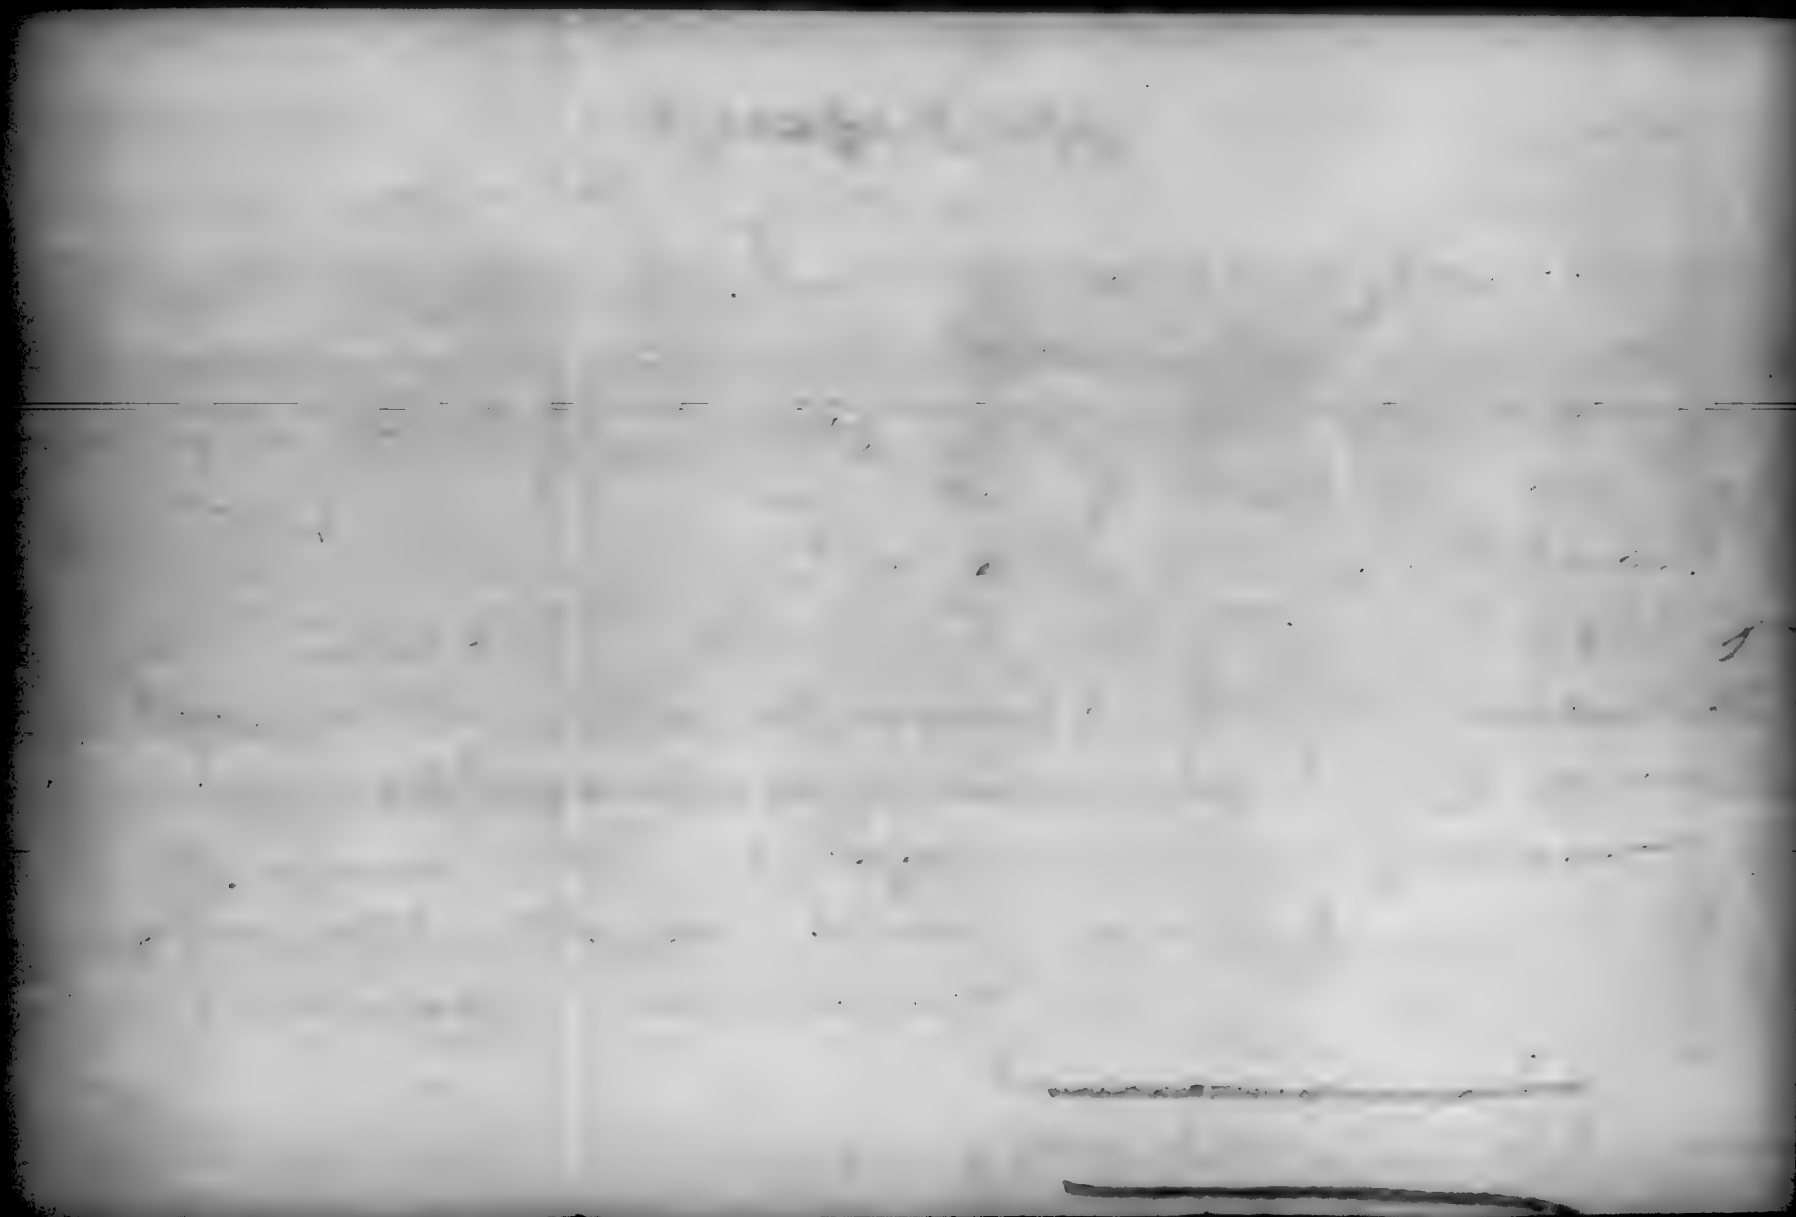

Wm. Lloyd Garrison

I concur with the above statement being in substance about all I recollect of the matter

Brig. Genl. S. B. Buckner,  
Nat. Ar.

Kind Sir, I find it is a time too much occupied for a personal interview. I present my communication in writing to ascertain whether you have had leisure time to take any action in regard to the Brief Manual on Bayonet-Exercise, submitted for your approval or rejection, as I am called upon daily by the Officers, for a work upon a subject they seem to take much interest in.

I will also take this opportunity to ask for information whether the Army Regulations only place the Pay of Instructor equal to that of Capt. of Infantry - as I have received a copy of the Confederate Army Regulations and find nothing mentioned upon the subject. I think it proper to state that I had expected more compensation, not that I want to ask for my humble efforts, in the service of my Country, money alone, but a sufficient support - as you will observe when the discount is taken off the amt. salary fixed it will only amount to \$48. per month which will not furnish a support for myself and family, or be commensurate with the services performed.

I would here mention that when I called on Col. Matall to make a business visit (about a month ago) I met with Genl. Johnson, when the subject of compensation of Officers came up - I casually spoke of my appointment and asked what would be the compensation of an Instructor of Drill, and remarked that I had received from the 23rd Tenn. Reg. the sum of \$125 - per month. Genl. Johnson replied, "it was little enough, and whatever amount Genl. Buckner might endorse he would approve, that the amount of compensation, would be differently according to the qualifications of the Officer." - I would therefore respectfully ask, if there is no law fixing it at any specified amount, that you will endorse on Pay-Roll equal at least to that of Capt. of Infantry, as the Instructor has to do the work for all the Field and Commissioned Officers - and I profess to be fully qualified not only to instruct in Light Infantry Tactics and the Bayonet-Exercise, (which but very few of the Instructors understand, and scarcely any of the Commissioned Company Officers) but am likewise prepared to instruct Cavalry in the Horse Exercise on horse, & sabre exercise. And am ready at any time to submit to an exam-

ination by any Board of Officers qualified to examine.

Please be so good as to give this your attention as soon as practicable, as I am in need of some funds, and desire to have you determine this question before making out my Pay Roll, for you to certify.

All of which is respectfully submitted.

Wm. H. McLox

RECORD DIVISION

The first day of the week is the Sabbath day  
 and is a day of rest and devotion. It is a day  
 when we should be at home, resting our  
 bodies and minds, and spending time in  
 prayer and study. It is a day when we  
 should be at church, listening to the

The first of these is the fact that the  
 government has been unable to raise the  
 necessary funds to carry out its policy.

In fact he has several times been  
recommended for promotion  
and has been recommended by the Brigade and

Head Quarters Army of Va  
1<sup>st</sup> June 1864

Hon James A Seddon  
Secy of War Richmond Va

Sir:

I have the honor to recommend the following  
officers to be promoted to fill vacancies now existing  
in Evell's Corps

✓ 1<sup>st</sup> Col. Bryan Grimes 4<sup>th</sup> A C regt. Samsons Brigade  
to be permanently promoted to the vacancy caused  
by the death of Brig Genl Daniel, to command <sup>Samuels</sup> said  
brigade

✓ 2<sup>nd</sup> Col. Wm A. Cox 2<sup>nd</sup> A C regt. to be promoted to the  
temporary rank of Brig Genl to fill vacancy caused  
by assignment of Brig Genl Ramsey to the com-  
mand of Early's divisions.

3<sup>rd</sup> Col. Tho<sup>s</sup> H. Fenn 20<sup>th</sup> A C regt. to temporary rank  
of Brig Genl to fill vacancy caused by disability of  
Brig Genl R D Johnston from wounds received in  
battle

4<sup>th</sup> Lieut. Col. Wm G. Lewis to temporary rank of  
Brig Genl. to fill vacancy in Hoke's brigade caused  
by promotion of Brig General Hoke. (This promo

him is recommended to be temporary because it is believed that Col. A. C. Godwin 8<sup>th</sup> N. C. regt of Hottel's brigade and now separated (not exchanged is entitled to the permanent promotion both for gallantry in action and capacity). Lieut Col. Leiden is represented to be a capital officer and is now in command of the brigade.

5<sup>th</sup> Col. Zebulon Clark, 14<sup>th</sup> La. regt. to be promoted to temporary rank of Brig Genl to fill the vacancy caused by disability of Brig Genl. Hays from wounds received in battle.

6<sup>th</sup> Lieut Col. R. D. Lilly, 25<sup>th</sup> Va regt. and now entitled to promotion to the colonelcy of this regt. made vacant by the death of Col. Higgenbotham to be promoted to temporary rank of Brig Genl to fill vacancy in Pegram's brigade caused by disability of Brig Genl. Pegram from wounds received in battle. Col. Lilly is a brave and capable officer and formerly belonged to this brigade.

The troops being in line of battle and skirmishing and fighting constantly going on it is impracticable to make all these recommendations at one time. I therefore recommend that in these and all other cases the new commissions all bear the same date, so that the previous

relative rank of the officers will not be interfered with. Otherwise some subordinate officer will find himself ranked by position.

Very respectfully

Thos. A. B. Smith

You will please instruct your  
Chief Commissary, to abandon as far as possi-

and sets an example in the way of violating

impossible to restrain the troops from  
following.

You will please also instruct your
